Welcome back to school after the Easter break. I hope that everyone has had a lovely holiday and enjoyed some chocolate too! We've been very busy this week settling back into school routines and working on developing healthy habits. I've seen and heard lots of good manners around school, I hope you have at home too. Each class has started working hard on their new topics, please see the information below for further details.

Topics

We've made a super start to our new topics this week. If you would like more information on how you can support your child at home, please see your child's teacher.

Nursery	Where does our food come from?
Reception	Where does our food come from?
Year 1	Do Kings and Queens live in castles?
Year 2	How did the Great Fire of London start?
Year 3	Who were the Maya?
Year 4	Who is the greatest British monarch of all?

Values to live by

Each week we discuss and reflect upon values that we try to live by. These are the values that we'll be focussing on in April.

12.04.21 - I can develop new good habits

19.04.21 - I can make a difference to planet Earth

26.04.21 - I can appreciate the value of dance

Earth Day

We will be celebrating Earth day on **Thursday 22nd April** to raise awareness of how we can protect the environment. Children may come to school in non-uniform and we are inviting them to wear something **green**.
