Learning log:

For the next few weeks our topic will be -
Where does our food come from?

How many of the following can you do:

Can you create your own small vegetable patch - some plants such as tomatoes don't need seed packets - just plant half a tomato and see what happens! Take time each day to water and check them. Keep a diary (photos or writing) of your plants.	Can you make a list of farm animals and their babies - do you know the correct names for all the young animals?	Find out about the different farm machinery you might find on a farm. Can you use junk / recycling in your house to create your own farm vehicle?
Make a list of 5 animals you might find on a farm - can you find out all the products or food we might get from those animals?	Use duplo / lego to create your very own farm!! What animals would you have? Take a picture or video and add it to tapestry!	Tell me about your favourite farm story book - can you create your own front cover for this book?
Read 'The little red hen' (there are lots of versions available on you tube).	Can you make a farm shop and practise buying and selling things in your shop!	Choose your favourite farm animals and draw a picture of them at the farm!
