

## Year 1 Learning Log Tasks Autumn 2

### Topic: **Ramble around Amble**

Please choose one task to complete each week. Start a clean page for each new task, write the date and the number of the task you are completing. You can complete the tasks in **any order**. You can **draw, write, colour, stick things in or take a photograph** of your completed task. We encourage grown-ups to help and join in with the tasks! Your learning log book will be given out on a **Friday**, please return it to school on or before the following **Wednesday**. Staff will remind you to hand in your learning log, however, it is your job to take it out of your bookbag and put it in the box. We share and celebrate completed tasks in school each Friday. Most of all, we want you to have **fun** with your grown ups at home as you learn!
