

# June Newsletter 2021

*Welcome back after a very sunny half term! I hope that everyone managed to enjoy the beautiful weather and had a much deserved rest. It looks like the lovely weather is here to stay for a while. Please ensure that you apply suncream to your child before school and that they wear a named sunhat. Can they also bring a named water bottle to school too? We have so many exciting things planned for your children, please see the dates for your diary section. We would love to welcome parents back into school, however, Covid restrictions will remain in place until the end of the summer term. Unfortunately, this means that we cannot invite families to sports day this year.*

*Thank you,*

*Dawn Hunter*

## Times Tables Rock Star Challenge!

On **Wednesday 30th June** Y1, Y2, Y3 and Y4 will be taking part in the Amble First School TTRS challenge. If you are unsure which times tables your child should know, please contact their teacher.

### Staffing

Sadly, Miss Gascoigne-Owens will be leaving us at the end of the summer term. Beth has worked tirelessly for the school over the past four and a half years that she has been with us and she will be missed. We wish Beth the best of luck in her new post.

### School dinners

We understand that children sometimes want to change from a school dinner to a packed lunch. As the kitchen plans orders in advance it would help us if you could please let the office know one week in advance if your child would like to swap. Thank you.

We would like to say a hug thank you to Morrisons for their continued support. They have provided school with many resources including books, seeds for planting and their shopping discount supports our breakfast and afterschool club.

*Best wishes*

*The Amble First School Team*
